FOR IMMEDIATE RELEASE

Mitsubishi Estate Opens Marunouchi India Economic Zone
Providing a wide range of services to support business relations between India and Japan

Mitsubishi Estate Co., Ltd. (hereafter “Mitsubishi Estate”) today announces the opening of the Marunouchi India Economic Zone, an initiative aimed at fostering business development for Japanese and Indian companies seeking to enter one another’s respective markets.

India has the second largest population in the world. A number of obstacles still exist for businesses in both nations to try to gain entry into one another’s markets, and the obstacles are often characterized by differences in business culture and policies, as well as a lack of human network.

For the Marunouchi India Economic Zone, Mitsubishi Estate has cooperated with Sun and Sands Advisors, a Tokyo-based consulting firm specialized in Indo-Japanese business relations and Tohmatsu Group (Deloitte Touche Tohmatsu LLC, Deloitte Tohmatsu Consulting Co., Ltd. etc.), a leading business professional organization. Mitsubishi Estate, Sun and Sands Advisors and Tohmatsu Group will provide support in areas of accounting, taxation issues and general financial consultation, in addition to networking, technology partnerships, and product and services promotion.

The Marunouchi India Economic Zone will also have a place among the numerous Tokyo 21c Club networks, which provide a platform for networking opportunities for Japanese and Indian business professionals, and contributes to the continued growth of Indo-Japanese relations and communities.

Mitsubishi Estate, which recognizes the significant growth of economy in India, will provide office space and business support for the Japanese and Indian companies participating in the program, with the aim of further enhancing the competitiveness of the Marunouchi area as an international business center.

Mitsubishi Estate aims for the further expansion of the Marunouchi India Economic Zone with promotion of the program conducted in India as well.

Ahead of the launch of the Marunouchi India Economic Zone, Mitsubishi Estate received over 100 inquiries from companies in Japan and overseas, including from nations conducting business with Indian firms.

Partner Companies:

- Sun and Sands Advisors Co., Ltd.
  Through an extensive local network in India, Sun and Sands Advisors searches out companies and organizations wanting to enter the Japan market, and provides support to Japanese companies in India. Backed by deep understanding of the customs and culture of both nations, the company fully utilizes its highly specialized consultation and expertise to provide wide range of services, including analysis and review of businesses, market research, formulation of business strategies, and advice on investment.

- Deloitte Touche Tohmatsu LLC and Deloitte Tohmatsu Consulting Co., Ltd.
  With a rich history and strong track record of providing support to companies both in Japan and nations overseas in tax and financial services, Tohmatsu Group companies provide support to companies entering Japan and India, by providing post-entry services, including tax consulting, financial advice for reporting to the headquarters, and the audit of branches and subsidiaries. Depending on nature of matters, these services are to be provided by subsidiaries of Deloitte Touche Tohmatsu LLC, Deloitte Tohmatsu Consulting Co., Ltd., Tohmatsu Tax Co., or other Deloitte Touche Tohmatsu member firms.

- Tokyo 21c Club
  Benefiting from the of its location in the Marunouchi area, which is home to a large concentration of businesses, the Tokyo 21c Club is an exclusive membership club, offering the members a place to interact and build upon their business networks in a broad range of knowledge-based industries. The Tokyo 21c Club allows members to mutually benefit from the exchange of information and knowledge, to find added value, and gain opportunities to expand their business.
